# Kitana Khan, the price to pay

by MiaQc

Summary

A one-shot about an evil Kitana and the price Liu Kang must pay after refusing to kill her.

- A translation of Kitana Khan, le prix à payer by MiaQc

When Princess Kitana becomes as evil as Shao Khan after the tyrant's defeat, Liu Kang is forced to stop her. Because he loves her, he doesn't want to kill her. This cost the Earthrealm champion his life. The old Kitana would have spared him and banished him from Outworld, but the new Kitana wants to make an example of him. Liu Kang's head is impaled on a spike and displayed for all to see. Those who attempt to kill Kitana Kahn will pay dearly.
